PRODUCT SPECIFICATION & TECHNICAL DATA

PS63 - Height Endurance Vented Helmet

Collection: Head Protection
Range: PPE
Materials: ABS
Outer Carton: 20

Product information

Our premium Height Endurance Helmet is now available in a vented version, for extra air flow. Light, comfortable and compact, this peak-less helmet is designed to be used for working at heights. Clever features include an ABS shell, textile comfort 6 points harness, wheel ratchet adjustment, size 52-63cm. Technical sweat band and 4 points chin strap (Y style) with a soft rubber chin protector included.

Head Protection

PW rapidly expanding head protection product range aims to benefit our customers by combining the most updated styles and standards in head protection, irrespective of job or location. A wide selection of compatible accessories is also available. A full explanation of features and performances are given in order to help you make a more informed choice.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
