Product information

Our F300 guarantees to keep you safe, visible and warm on cold windy days. Features include an internal patch pocket, two secure side pockets with zips and an elasticated drawcord waist for a more comfortable fit.

High Visibility Fleece Range

High visibility fleece fabric is made from 100% polyester with a durable anti-pill finish, which ensures no unsightly bobbling on the surface of the fabric. The fleece fabric is soft to handle yet extremely robust. Suitable for all work environments.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
