PRODUCT SPECIFICATION & TECHNICAL DATA

FP19 - Portwest 4 Point Harness Comfort Plus

Collection: Fall Protection Kit

Range: Fall Protection

Materials: Polyester Webbing, Aluminium, Alloy Steel, Heat Treated

Outer Carton: 6

Product information

Ergonomically designed with the users comfort in mind. The 4 Point Harness Comfort Plus has been engineered from lightweight aluminium optimising strength and durability. It provides 4 points of attachment, one rear D ring, two side D rings and an upper and lower chest D ring. Quick release buckles for easy donning. Ideal for work positioning or suspension work.

Fall Protection Kit

We provide a range of kits based on our existing products that are designed to suit a wide variety of needs and uses. Every kit contains one harness that is suited for use and with the accessories in the kit to aid excellent performance. All kits are supplied with a nylon draw string bag for easy storage between use. All components are CE certified to relevant standards.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
