Fall Protection Kit

We provide a range of kits based on our existing products that are designed to suit a wide variety of needs and uses. Every kit contains one harness that is suited for use and with the accessories in the kit to aid excellent performance. All kits are supplied with a nylon draw string bag for easy storage between use. All components are CE certified to relevant standards.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
