

ROTATIONALLY MOULDED TWO-PART EXTINGUISHER STANDS

Product Code: HS15

This new range of rotationally moulded Fire extinguisher stands have all the strength of traditional stands but come as a 2-part design so that they can be easily transported and are firm and rigid when installed.

- Smooth finish
- 2 part design gives reduced transport/storage requirements
- Vastly reduced packaging for the environment
- Sturdy and robust
- 2kg Co2 restraining strap available
- Lightweight
- Takes Extinguishers up to 9kg
