

ARTEMIS

SLEEK EXIT SIGN

Artemis is an ultra shallow profile emergency exit sign box suitable for wall mounting in any commercial application. The luminaire is fitted with an innovative threshold light feature which is adjustable for optimum illumination. Supplied with an Up Arrow Legend as standard, a choice of other arrow legends are available for easy user retrofit to suit the installation. A self test option ensures compliance with testing regulations.

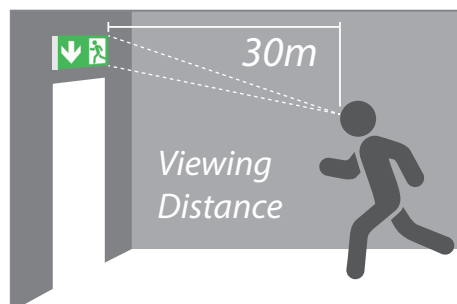

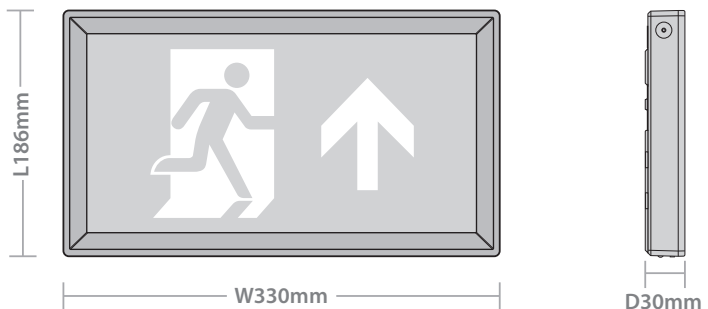

Features

- Sleek, shallow profile design
- Maintained or non-maintained operation
- Stand alone self test version available
- Fitted with the latest technology LiFePO4 batteries
- Supplied with Up arrow legend. Other legends available to order separately
