Little Giant Mighty Lite HiViz Green GRP Fibreglass Step Ladder

Product Description

New from Little Giant, the MightyLite™ Step Ladder is designed to help reduce or prevent the three leading types of ladder related injuries. By reducing weight, reduces the likelihood of neck and shoulder pain from carrying heavy items. Dangerous falls from standing on the top cap - the MightyLite™ comes with a large standing platform that provides additional comfort for users. Each Little Giant MightyLite™ comes with the Ground Cue™ built-in. This gives users an audible/sensory warning that the last step is reached and it is safe to step off the ladder. Ideal for use in noisy environments. Fibreglass Step Ladder range incorporates a multi-functional tool tray with non-conductive stiles, making them ideal for working around electricity. The combination of super-strong C-section fibreglass stiles and reinforced aluminium treads gives you a durable yet lightweight and easy to handle step that is perfect for the busy trades-person.
