

Heavy Duty Ind Work Platform

[Representative image of product]

Product Description

Aluminium heavy duty platform for professional use ideal for use in a variety of environments, including industrial or manufacturing work places. It is made in light extruded aluminium and easily folds for storage. The legs are secured by a pin and lock in place for use. It is equipped with a strong and comfortable large non-skid wooden platform painted and protected against the rain.

Features

- Non-slip wooden platform board designed for heavy-duty use
- Ribbed frame structure to support weight evenly
- Slim storage profile
- High handrail available as optional extra* (1220-036 only)
